## **November Nuggets - November 13**

*The following was sent to KYAE listserv.*

### **Are your students burning \$20 bills?**

Each of the \$20 vouchers KYAE provides for an eligible student to use to take the GED® test is, for all intents and purposes, a \$20 bill. The vouchers have already been purchased, whether they are redeemed or not. Please don't let your students "burn \$20 bills"!

- Since we began the \$10 testing campaign in July, students have missed over 200 appointments. Those funds have been lost. Students must reschedule or cancel an appointment 24 hours before the appointment time or the money will be lost.
- If students are given vouchers and do not schedule the test, the voucher money is lost. If students do not schedule the test, please return the vouchers so they can be assigned to another student.
